Block 3 - Fox & Moose Caboose 1st and 2nd Edition Correction

- The **Baby Fox Scarf** does NOT get tassels; the Placement Guide shows them in error.
- Embellishment directions for the **Baby Moose Eye** were missing. See below:

Mama Fox, Baby Fox and Baby Moose Eyes

To add the eyes to each, refer to the Placement Guide and cover for placement. Use 2 strands of floss or thread, stem stitch or straight stitch an arch to create the 2 eyes on Mama Fox and one eye on the Fox Cub and Baby Moose.
