Block 3 - Cub Care Correction

First Edition Only

The corrections below in **red** are for the **Cutting Guide** labels. The Leaves from fabric 851-157 Verde are mislabeled and Leaves B1 and B7 are currently one large piece that should be two individual appliqués.

Trace and cut the new Leaves B1 and B7 appliqué shapes included in this correction. The piece B4 in your original pattern should **NOT** be traced.

**Note: If you purchased a Laser Cut Kit, the shape of your Leaves B1 and B7 should be correct.*
