

Poetry of the Sea

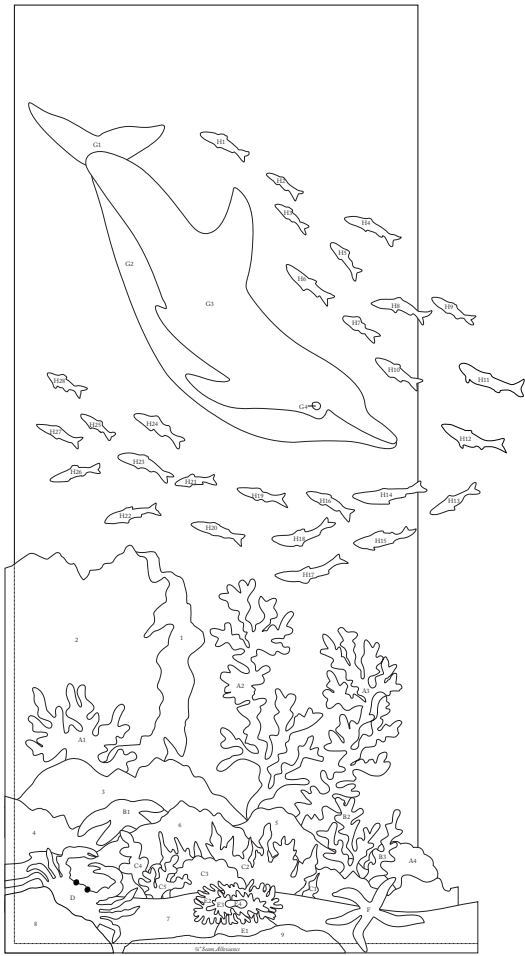

Dolphin

11 1/4" x 25 1/2"

This is the correction for the Poetry of the Sea Block 2 - Dolphin, 1st Edition Only

The Ocean Floor piece 7 was not long enough to connect to the appliques in Block 3, to create a seamless image. Use this piece 7 to trace and cut when making the full Poetry of the Sea quilt.

When placing this new Ocean Floor 7 onto the Placement Guide, line up the left and bottom edges. It will extend beyond where the original piece 7 does on the right.
